

Wonderland 2010

The Holidays are right around the corner. As you start to envision the perfect holiday for your family and friends please take a moment to consider becoming a part of ours here at Chrysalis. The Holiday season can be a joyous time for many people. However, for those living in our shelter, transitional housing or receiving services from our other programs, the holidays are an uncertain and difficult time.

Each year through the help of friends throughout the community, Chrysalis assists close to 200 clients with holiday needs and wishes through our Wonderland event.

There are many ways for you to keep the spirit of the holidays alive for the clients of our programs. Here are the current needs:

- * **Walmart Gift Cards:** This is the most empowering gift allowing the women to shop for their children and themselves, thereby choosing items that meet their most essential needs. Our goal is to provide each woman with **\$50 in Walmart gift cards per child** so that she can do holiday shopping on her own.
- * **Westcor Gift Cards:** We also have single adults in our programs; we'd like to provide each of them with a \$25 Westcor gift card.
- * **Donate Program Supplies:** See recommendations from the enclosed Wish List for suggested items for the women and children. *Please be aware that we are only accepting gifts that meet the criteria on our wish list.*
- * **Food:** Provide a Fry's Food Store gift card (in increments of \$15) to enable a family to prepare a special holiday meal.
- * **Financial Contribution:** To be used where it is needed most.

If you would like to participate, please complete the donor form and return either by email to volunteer@noabuse.org or fax 602-955-0165 **before December 6th**. When we receive your form, one of our Holiday Helpers will contact you to verify information.

The deadline for all holiday donations will be December 8th. Donations accepted beyond that date will not be received in time for Wonderland, but can be used for families who enter shelter closer to the Holiday.

If you have any questions, please call Chrysalis at 602-955-9059.
Thank you and we wish you and yours a wonderful holiday season.
